modification_value	Int	Number of times edited this form
status	Int	Status used for tracking
timestamp	Timestamp	Time at which this file has been filled

***same for consultancy_charges_modification

2. consultancy_member

Name of column	Data Types	Description
sr_no	BigInt	Serial No. for form
emp_no	Varchar	Emp no . of member added in consultancy
department	Varchar	Department of member
position	Varchar	Position of member(co-ci, ci , faculty)
share	BigInt	Share of each member.
modification_value	Int	Number of times edited this form
status	Int	Status used for tracking
timestamp	Timestamp	Time at which this file has been filled

*** same for consultancy_member_modification , consultancy_member_temp

3. consultancy_link_up_no

Name of column	Data Types	Description
sr_no	BigInt	Serial No. for form
link_up_no	Varchar	Link up no give by pce
Page_no	Varchar	Page no. given by pce
timestamp	Timestamp	Time at which this file has been filled

4. consultancy_form_track

Name of column	Data Types	Discription
sr_no	BigInt	Serial No. for form
payment_no	BigInt	Payment No. for a particular payment(default 0)
remark	Varchar	Remark on each action on the file
auth	Varchar	Auth of person who acted on the fil
status	Int	Status used for tracking
timestamp	Timestamp	Time at which this file has been filled

5. consultancy_proposal_detail :

Name of column	Data Types	Description
sr_no	BigInt	Serial form
payment_no	BigInt	Payment no. for proposal form
consultancy_no	Varchar	Consultancy No assigned by PCE
file_path	Varchar	Path of file letter of request
year	Int	Year in total time period
month	Int	Month in total time period
weeks	Int	Weeks in total time period
days	Int	Days in total time period
payment_mode	Int	Mode of payment (dd/online Transec)
currency	Int	Name of currency if foriegn
currency_type	Varchar	Type of currency (Indian / foreign)
payment_enclosed	Int	Full or half payment
value_fig	BigInt	Total amt in fig
value_word	Varchar	Total amt in word
